General Information

Agency Accounting Division (AAD) Education Branch, also known as Treasury Agency Service (TAS) was initially established as a Franchise Fund Pilot by the Government Management Reform Act of 1994 (Public Law 103-356). The Treasury fund was then established by Public Law 104-208 and it mandates that Treasury Agency Services only accept funding from “applicable appropriations and funds available to the Department and other Federal Agencies for which such administrative and financial services are performed.” Accordingly, Treasury Agency Service may only accept payments for instructional services from federal agencies and not from “non-profits” or contractors.
